## Story So Far...

When pretty-boy Jung-Woo's cousin, Tae, convinces him to switch identities with her, he figures his life can't get any more bizarre. But then this crazy girl, Que Min, starts fixating on him, and local bad-ass Ghoon-Hahm suddenly decides to make Jung-Woo his new favorite punching bag. After Jung-Woo gets deathly ill, things go from weird to weirder when the violent Ghoon-Hahm is the one who nurses him back to health! Turns out that Ghoon-Hahm has had a crush on Que-Min for years, and he's determined to place himself firmly between Jung-Woo and his dream girl. Que-Min may have something to say about that, though, especially now that she's finally getting some attention from Jung-Woo. At last, this volatile lover's triangle reaches its melodramatic conclusion!
